

# Norton Rail-Trail Public Information Session

Tuesday, January 21, 2014

**RESCHEDULED FOR TUESDAY, FEB. 11, 2014  
AT 7 PM, NORTON PUBLIC LIBRARY  
(JAN. 21 SESSION WAS POSTPONED DUE TO THE STORM.)**

The Alternative Transportation Committee of Norton is hosting a Public Information Session and we would love to have you join us! We plan to give an update on the current status of the proposed Rail Trail project as well as our plans for moving forward. Please consider coming to share your ideas, concerns, and questions or to show your support for the project.

## Rail Trail Benefits

- Safer off-road paths and intersections
- Economic development
- Increased property values
- Connection with historical events
- Recreation for all ages
- Healthy, family-friendly exercise venue
- Pollution-free commuting routes
- Improved nature preserve access
